

# PhD Student Council

Matthias Mayr and Christopher Blöcker

# Who we are

The newly formed PhD council in 2019  
(Yes, that was before the pandemic)

- Matthias Mayr                      Lund  
AS-2
- Christopher Blöcker    Umeå  
AS-2
- Alexandre Martins      Lund (I)  
AS-1
- Timotheus Kampik      Umeå (I)  
AS-2
- Martin Andersson                      Uppsala  
AI-1
- Shuangshuang Chen    KTH (I)  
AI-1

# What we are doing

- Represent the PhD students within WASP
- Collect and nurture feedback from you
- Discuss topics regarding the graduate school, clusters, and other things with WASP management
- Help with communication and representation
- Confidential contact point in case of issues

# Work in and of the Council

- How we work
  - Members are volunteers - You can join!
  - We meet about once a month in Zoom and discuss
  - There are two appointed chair-persons
    - Attend WASP meetings and provide input from a student perspective
    - Time-compensation by WASP
  - We ask for feedback from the students e.g. through e.g. surveys
- Involvement in WASP organization
  - Talks with many people responsible in WASP
  - Graduate school management meetings
  - International Scientific Advisory Board
  - Working group for new graduate school format
  - Working group for new clusters
