

Acknowledgement in Publications

All publications made within the WASP program should include an acknowledgement to the financier. The standard phrase is as follows:

This work was partially supported by the Wallenberg AI, Autonomous Systems and Software Program (WASP) funded by the Knut and Alice Wallenberg Foundation.

All publications should also be published in the publication system of your university. For example: DiVA, RESEARCH.chalmers.se or LUP/LUCRIS.

This routine is officially stipulated in the WASP Decision letter that is sent to supervisors of newly admitted PhD students and to recruited faculty.
