Book dinner for the first evening of the first course meeting (ie only one dinner per course), with the help of local department administrator. Approx 300 SEK pp, non-alcoholic beverage included.		x		
<b>Information</b>				
As needed update the <ul style="list-style-type: none"> <li>course description</li> <li>the course plan</li> </ul>		x	x	
Set up a course page at CANVAS KTH and support the teacher in using it.				x
Publish course information and administrate the course via CANVAS KTH (educational platform used by WASP). On this page the following should be clearly stated: <ul style="list-style-type: none"> <li>required preparations</li> <li>mandatory parts</li> <li>re-examined parts (~6months later)</li> <li>consequences if a student misses a mandatory part or a deadline</li> </ul>		x		
Publish information on the WASP intranet & calendar		(x)		x
<b>Invitation</b>				
Prepare and distribute the invitation to register for courses (LYYTI)				x

Set up an online report of participants and provide a link to the teachers.				x
Invite all participants to the CANVAS course page.				x
Write a welcome letter to all participants.		x		
Distribute the welcome letter shortly before the course/module starts.		x		(x)

<b>Giving the course</b>				
<b>Tasks</b>	<b>GSM</b>	<b>Teacher</b>	<b>PO</b>	
The course material should be made available for all in WASP <ul style="list-style-type: none"> <li>Slides to all lectures should be provided.</li> <li>If possible, recordings of lectures should be provided. If given in distance mode, then recordings should be provided.</li> </ul>		x		
<b>Absence</b>				
Document unauthorized absence and send a summary to PO.		x		
Follow-up on unauthorized absence with each student.				x

<b>After the course</b>				
<b>Tasks</b>	<b>GSM</b>	<b>Teacher</b>	<b>Examiner</b>	<b>PO</b>
<b>Credits</b>				
Send a list of participant results to the examiner		x		
Send the final list of participant results for the entire course (Pass/Fail) in Excel format to PO <a href="mailto:anna.bjornemo@liu.se">anna.bjornemo@liu.se</a> . If some students only completed some modules of the course, make a note of this in the document.			x	
Communicate results (Pass/Fail) to students			x	
Prepare and distribute course certificates to the approved students (main supervisor in CC)				x
<b>Course evaluation</b>				
Initiate the course evaluation as decided on the planning meeting			x	
Add questions to the standard questionnaire <sup>1</sup>		x	x	
Make an evaluation form in LYYTI and distribute the link to all participants (upon teacher's request)				x
Initiate a de-brief session with student representatives			x	(x)
Present the course evaluation on an GSM meeting			x	
Prepare a course report			x	
Make the course report available				x
<b>Re-examination</b>				
Prepare a re-examination about 6 months after the course covering completion of missing parts <sup>2</sup> . Repeat the tasks in "Credits" above.		x		

<sup>1</sup> Document Updated course evaluation

<sup>2</sup> The re-examined parts can be identical with the assignments given during the course. The teachers do not have to create new challenges or tasks.
